SCJ Kitchens Ltd

www.scjbuild.co.uk

A local business with a proven track record," built on reputation "

BENCHMARX
Kitchens and Joinery

We have been fitting kitchens for over 15 years.
The kitchens that we supply and fit all come from a local kitchen company based in stirchley.

Their cupboards come with a lifetime guarantee and all the appliances come with long warranties, so if you ever have any problems you won't have to travel far to their showroom (unlike some online kitchen company's that make you wait for weeks for a door handle)

Thinking of having a kitchen fitted this year?
A typical installation can take between 2 to 6 weeks so booking early is essential.
Don't delay call to today. . . . . .
